25X1	10. Hand carried to George Murphy, on
25X1 [statements from Rumanian sources regarding the United States and North Vietnam. I advised Murphy that the material he had requested on Rumanian aid to North Vietnam should be available by Friday.
25X1 25X1	Assistant to Senator Margaret Chase Smith, by way of follow up to the Senator's question about the <u>Pueblo</u> in my meeting with her 17 May. I told Lewis the term dismantling which has been used with reference to North Korean activity on the <u>Pueblo</u> was misleading. Actually it appear that they are disassembling the antenna and certain other equipment on the ship for technical inspection.
